The following was sent to the listserv.

Please submit your student success stories!

Those of you who follow the KYAE Facebook page (www.facebook.com/KYAdultEducation) know that we highlight a student's success story every Monday; we call it 'Motivational Monday.' We also share snippets of these stories via Reecie Stagnolia's Twitter feed (@kyaereecie).

Submitting success stories to KYAE for posting on our social media outlets is a great opportunity for your students to receive significant recognition; it's also a great opportunity to promote the good things going on in your local program – and in Kentucky.

I click below to access the success story templates (one for GED® graduates, one for NCRC/KESC recipients) to this e-mail for your easy download. I encourage you to submit student photos whenever possible; they make the posts especially meaningful and appealing.
