The following was sent to the listserv.

Congrats to 24 KYAE programs!

GREAT NEWS!

There are 24 Kentucky Adult Education programs that, at the **end of the first quarter** of FY2017, **have reached 25% or more of their GED® attainment goals**. Based on this, the following programs are on pace to meet their year-end GED® attainment goals:

- Bell County Forestry Camp
- Boone
- Breckinridge
- Caldwell
- Carter
- Casey
- Christian
- Crittenden
- Daviess
- Elliott
- Franklin
- Gallatin
- Grayson
- Green River Correctional Complex
- Greenup
- Hardin
- Henderson
- Lyon
- Marion
- Meade
- Northpoint Training Center
- Simpson
- Todd
- Western Kentucky Correctional Complex

There is still plenty of time for ALL programs to reach (or exceed) their year-end goals, so keep striving.

Lastly, as a reminder, we will send the mid-year performance report to program directors and fiscal agent heads shortly after the new calendar year.

Thank you for your hard work!
