The following was sent to the listserv.

NOW AVAILABLE: Lexington-based TABE Online training registration

You may now register for the TABE Online training sessions that are being held in Lexington on August 11 and August 12.

During these trainings, participants will have hands-on practice using TABE Online and will become familiar with how to schedule tests and access reports.

All participants will need to have their TABE Online username and password in advance of attending the training; please make sure you bring this information with you. If anyone needs help with their username and password, they should call TABE Online Technical Support at 866-282-2250.

You register for these sessions in the same manner that you register for PD courses; they are now listed in the course catalog: <http://www.kyvae.org/courses/courses.aspx>

The course numbers are as follows:

KYAE550A – August 11, 9 a.m.-12 p.m.

KYAE550B – August 11, 1-4 p.m.

KYAE550C – August 12, 9 a.m.-12 p.m.

KYAE550D – August 12, 1-4 p.m.

Please note that there is a limit of 25 participants per training session; availability is first-come, first-served.

As shared in the e-mail I sent yesterday, there will also be training sessions held in the western and eastern portions of the state, as well as in Elizabethtown. You will receive notification when those sessions are open for registration.
