ATTENTION: All Math Instructors

The following was sent to program directors.

The *Active Learning in Adult Numeracy (ALAN) Initiative* application is now available. Mathematics instructors from selected programs will have the opportunity to work closely with Steve Hinds, mathematics curriculum and professional developer at The City Colleges of Chicago as they learn from, teach and give feedback on a series of active learning math lessons devised by Steve. The ALAN Initiative will count as 30 hours of KYAE required PD. More information is available on page 13 of the [2013-14 PD Handbook](#). [Click here](#) to access the ALAN Initiative Description and Application for details. **The deadline for application is November 22, 2013.**
