

# What's your next move?

Did you know that, if you earn an associate degree after your GED® diploma, that you will **earn an average of approximately \$475,000 more** over a 30-year career than a non-graduate?

## April is Kentucky Adult College Readiness Month!

We can help you prepare for next move, whether it's earning a certification from a training program or working toward an associate or bachelor's degree.

Kentucky Adult Education and the Kentucky Higher Education Assistance Authority (KHEAA) are partners in helping adults transition to technical training or college. We can help you:

- Choose a career pathway that will suit your skills and interests
- Build your skills to prepare for entrance exams and coursework
- Complete your financial aid application (FAFSA)
- Learn tips for succeeding in a college environment
- Earn a Kentucky Essential Skills Certificate
- And much more!

**Talk to an instructor or other staff member about your next move today!**
