KAERS Manual posted

The new FY17 KAERS Manual is now available in the State Resources section of KAERS!

If you are attending one of the upcoming KAERS trainings, please print a copy of the manual to bring with you.

Please remember that KAERS is an ever-evolving database, which means that the manual will also change throughout the year. Every effort will be made to keep the content current.

If you have any further questions, please contact Natalie Cummins at 502-573-5114, ext. 371; or email her at natalie.cummins@ky.gov.
