2014-15 funding amounts, policy change

The following has been sent to program directors.

The KYAE Online Finance Module has been loaded with 2014- 15 funding amount totals for core services, federal supplement and professional development (PD). The deadline for completing program budgets with detailed line item amounts in the Online Finance Module is **July 7, 2014**. Programs will begin to receive contracts over the next few weeks.

As announced earlier this year, the allowable use and amount of PD funds for 2014-15 have been revised. Please follow these guidelines regarding the PD portion of your budget:

- Programs should budget up to the allocated PD amount on the PD line. Do not change the PD amount allocated to your county.
- The PD amount may not be altered or amended this year. Any PD funds remaining at the end of the program year will be returned to KYAE.

In addition, the federal supplement amount is a line in the Online Finance Module. This amount should not be changed.

AS A REMINDER—The final invoice for FY14 (the current year) is due by JULY 18, 2014.
