

Join the #GEDGradDay celebration!

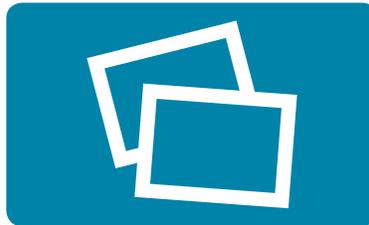

June 15 is #GEDGradDay. Join us on social media to celebrate GED® graduates and get tips, advice and motivation to help you pass the GED® test!

To join in the celebration on June 15:

1. Get answers to your questions. Join our “live” Facebook Q&A session from 12 - 3pm ET. Ask questions you have about the GED® program and get immediate answers. See advice from educators and graduates.

2. Show what doors the GED® test will open for you. Post a photo on Twitter, Instagram or Facebook of yourself opening a door. Use the caption to tell us what you’ll do once you pass the test, and include #GEDGradDay in your post.

3. Spread the word! Invite your friends and followers to participate in #GEDGradDay!

Be sure to join the celebration. We’ll see you online on June 15!
