SUBMIT BY FRIDAY: Questions about Measurable Skill Gains, Periods of Participation

KYAE has received questions about Measurable Skill Gains and Periods of Participation. In response, Cody and the Administrative Leadership Team are planning to present a Q & A via phone call/webinar that will, hopefully, resolve any issues or questions about Measurable Skill Gains and Periods of Participation.

So we can target the questions you encounter most, we ask that you **please submit your questions/scenarios to Debbie McCoy at debbiem.mccoy@ky.gov by noon this Friday (December 9, 2016).**

We will announce more details about the upcoming phone call/webinar within the next week.
