## Important Information from the Kentucky HEALTH Project Team

**Please see the message below from the Kentucky HEALTH project team. As a partner of the program, the team asks that you please share this email with your staff and others in your network.**

### Important Information from the Kentucky HEALTH Project Team

Dear Kentucky HEALTH partners,

Thank you for your feedback and continued collaboration with the Kentucky HEALTH program over the past few months. As you know, Kentucky HEALTH go-live is right around the corner. **This means that:**

- **On July 1, 2018, Kentucky HEALTH will roll out across the Commonwealth**
- **On July 1, 2018, the PATH Community Engagement part of the program will only rollout in Campbell County** (see the [PATH Rollout Map](#) for more information).

**Numerous Kentucky HEALTH resources are available specifically for business and community partners!** Check out the simple instructions below to access the resources. In addition, we encourage you to follow Kentucky HEALTH on [Facebook](#) and [Twitter](#) – and share posts that may be relevant to your organization’s social media following!

1. Visit the Kentucky HEALTH website at [KentuckyHEALTH.ky.gov](http://KentuckyHEALTH.ky.gov)
2. Click the Resources button to view the drop-down menu, and select **Businesses & Non-Profits**
3. Explore the resources for **Businesses and Community Based Organizations**, including the materials outlined in the table below:
