August 1 Deadline for Fall Semester College Course Tuition Approval Application

Greetings All:

August 1, 2017, is the deadline for college course approvals for the 2017 fall semester. The **program director** must send the completed [2017-18 College Course Approval Application form](#) to aepd@ky.gov.

While funds are available, KYAE Skills U will reimburse college tuition up to \$1,300 per semester, not to exceed \$3,900 per year, per **instructor** or **program director**. Priority consideration will be given to full-time staff. Reimbursements will be granted to part-time staff as funds permit. In the application, part-time staff will also need to provide justification for qualifying for the reimbursement, as well as how their course(s) will benefit their adult learners. Approved college coursework does not substitute for required 2017-18 professional development.

Reimbursement is available for undergraduate coursework in **education, educational technology, English language, language arts, learning disabilities, mathematics, reading, science, social studies, and social work**; and for graduate level courses to earn a master's degree in **adult education, arts in teaching, curriculum and instruction, English language, language arts, linguistics, mathematics, reading, science, social studies, and social work**.
