## **UPDATE: WorkKeys/NCRC**

### **FROM JOE PAUL:**

After speaking with ACT leadership over the weekend, Kentucky will officially move to the NCRC 2.0 assessments on October 6, 2017. We can continue to use the current assessments up until October 5. Paper and Pencil facilities should have already set up their accounts to order P/P assessments and new Answer Folders. They can order the NCRC 2.0 assessments now and administer the assessments.

ACT is experiencing outages with the VALIDUS online testing system. If you are experiencing trouble logging students onto the system, please call 800-WORKKEY.

Thank you for your patience during this period of transition.
