2017-18 Professional Development Handbook ready for viewing and planning

2017/18 Professional Development Handbook

Greetings All,

As promised, the 2017/18 Professional Development Handbook is [now available for viewing on the KYAE Website](#). At this time, the handbook does not have active links for registration, but is a preview PDF version to allow programs to begin planning their PD for the year.

The actual PD Handbook with active registration links will be posted and sent to programs the same day KAERS becomes active for 2017-18.

Registration will be through the PD Handbook and NOT the course catalog as used previously. All you will need to do to register is click on the course code in the handbook!

Please Remember: All KYAE personnel must be active in KAERS in order to register for PD.
